

Workshop Series on R Programming

September 15, 16 & 30

About the Department

The Department of Statistics was established in 1996 and offers M.Sc. program in Statistics, M.Tech program in Engineering Statistics besides research program leading in Ph.D degree. The Department is actively engaged in research in the field of Distribution theory, Reliability theory, Time series analysis, Information Theory etc. The UGC has identified the department of the Special Assistance program (SAP) at DRS level III and the DST is extending financial support under FIST program.

About Old Students Forum

The Old Students Forum (OSF) is the Alumni Association of the Department of Statistics, CUSAT OSF aims in creating awareness on the prospects of statistics and scope of higher studies in Statistics. OSF is actively engaged in conducting seminars, workshops, quiz competitions, project competitions and other academic activities across the state. OSF also provides a platform for information on notifications of Job vacancies, workshops / seminars, congratulatory notes and other important events related to Statistics.
